

Your Place, Your Plan

The Torpoint Plan will develop a vision for land use and developments that will, once agreed with residents through a local referendum, become planning policy for the town.

The plan is being developed by residents working with the Town Council.

It is important that the plan is owned by the community containing the communities aspiration for the future. To ensure the plan is relevant and takes into full account the views of residents a number of consultation events will take place with feedback and progress published on the plan website.

Please contact us to let us know your views or to understand the process we are following.

Future Events...

Consultation roadshow events will take place throughout the rest of the year, look out on our website or Facebook page for further information.

The roadshow will be calling at

- Cornerstone Church,
- Sainsbury's
- Torpoint Library

Summer / Autumn Consultations 2015

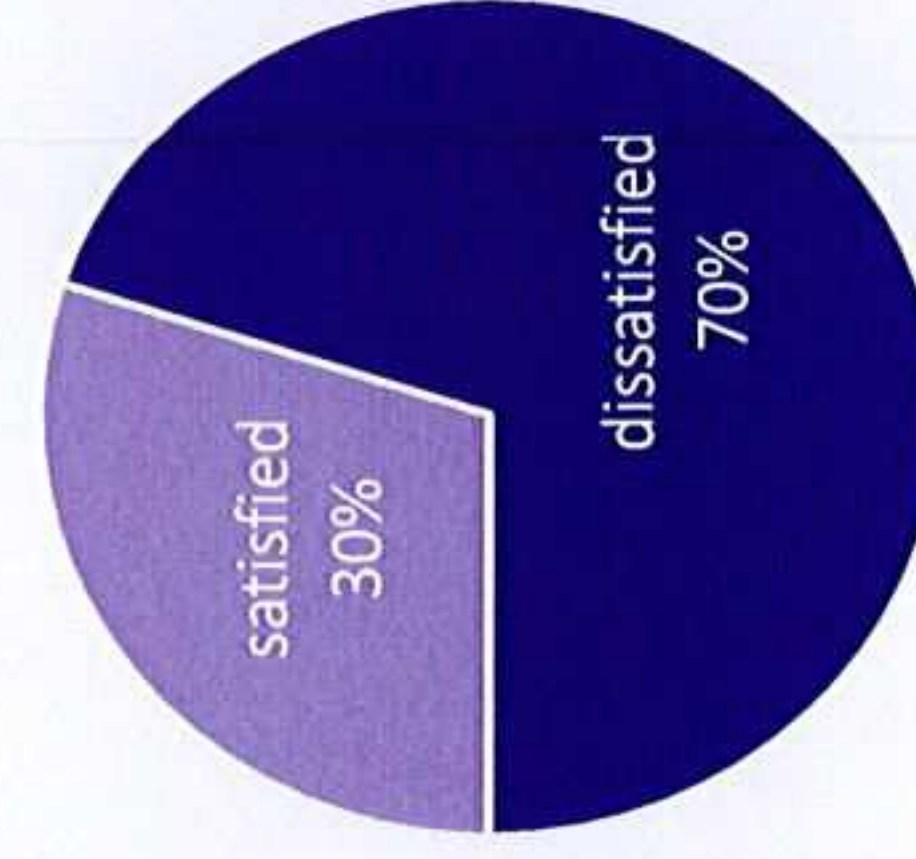

Analysis of the Initial Questionnaire Responses

During April and May a questionnaire was delivered to every household in Torpoint and published online to understand residents views on the current provision of a number of areas in the Town. There was an excellent response with over 1100 replies; below summarises the satisfaction on the range of topics:

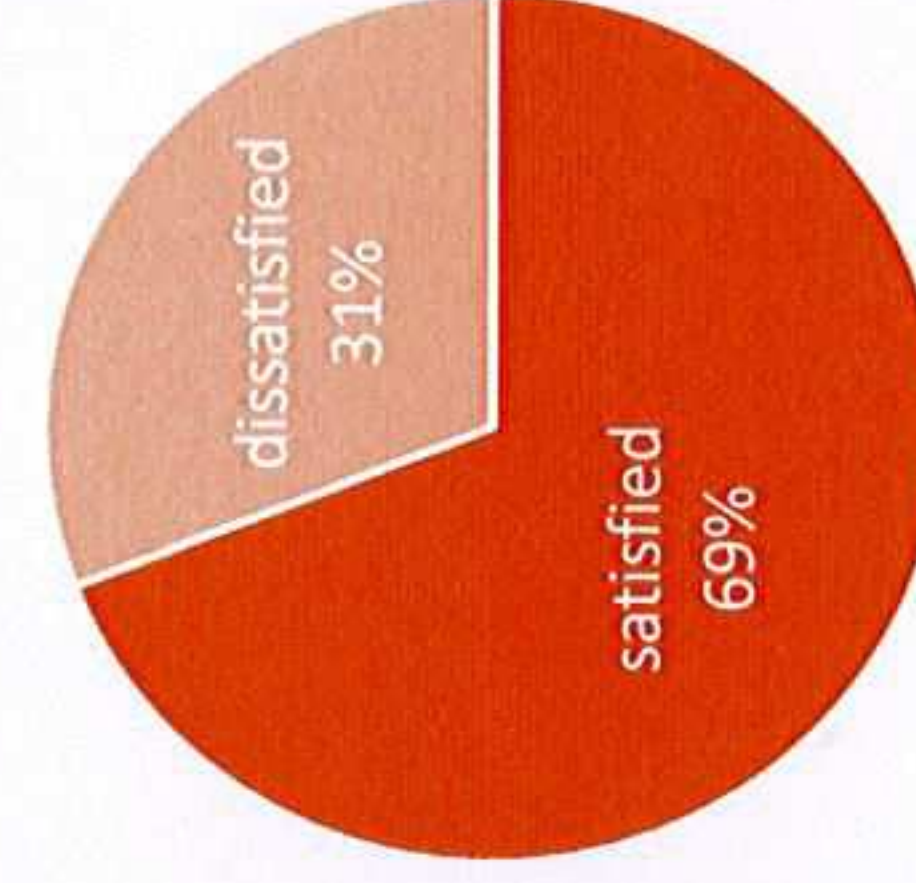

Open Space

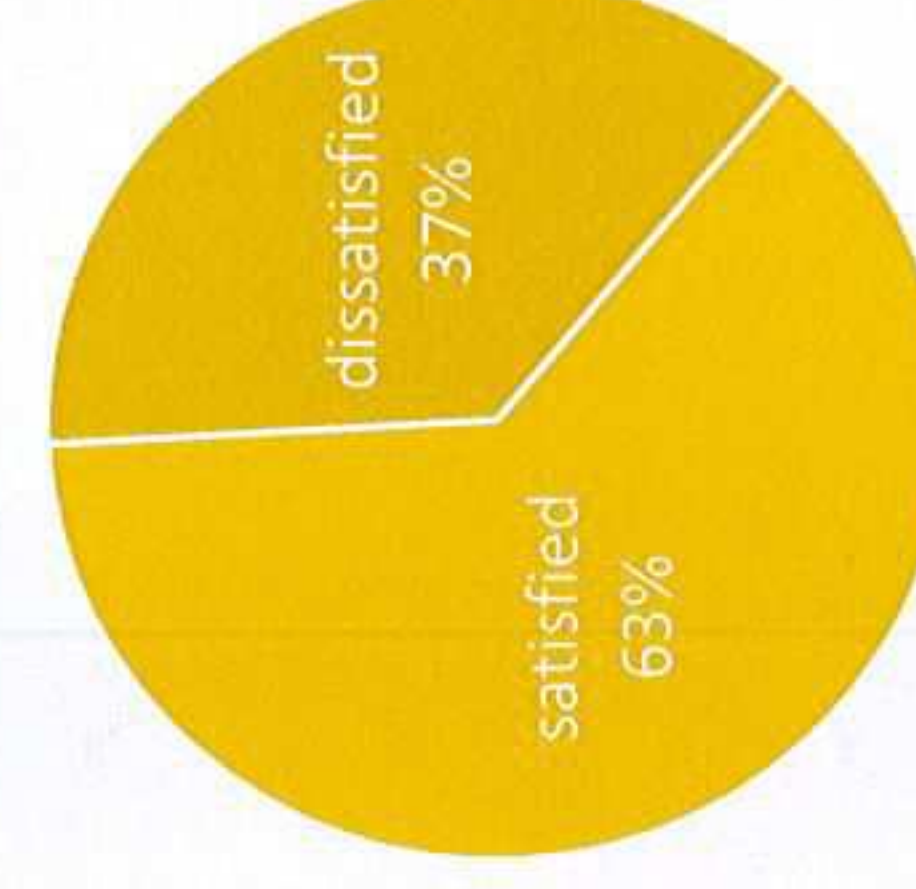

Leisure Facilities

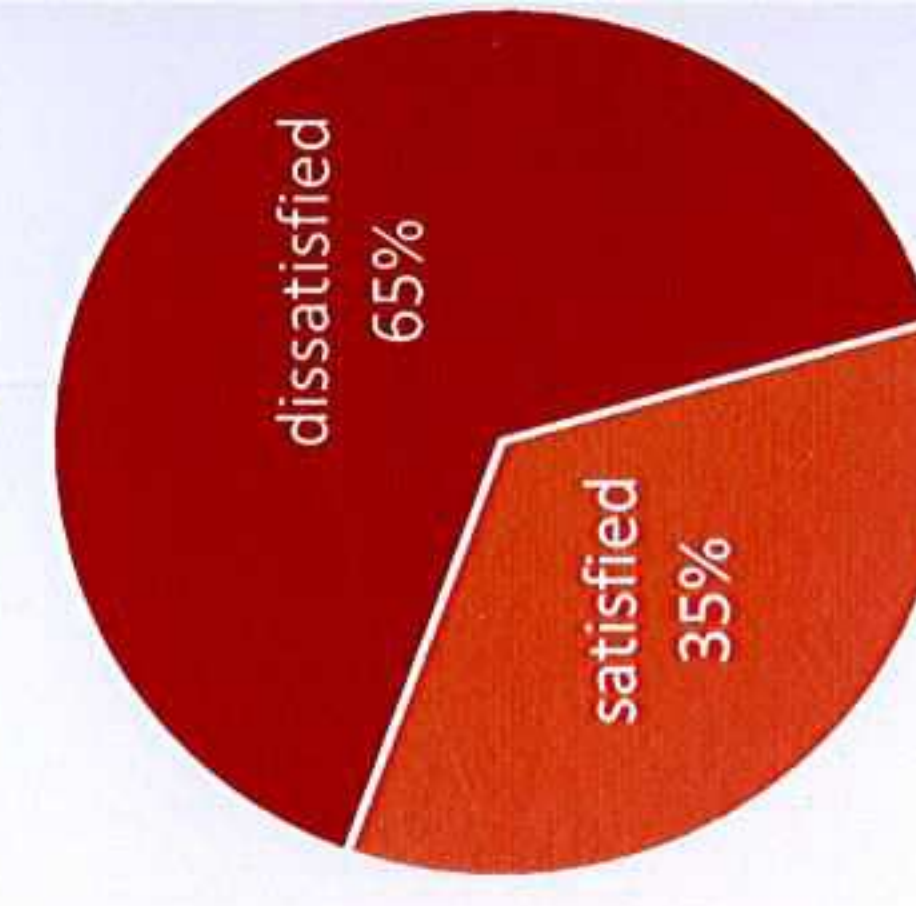

Community Facilities

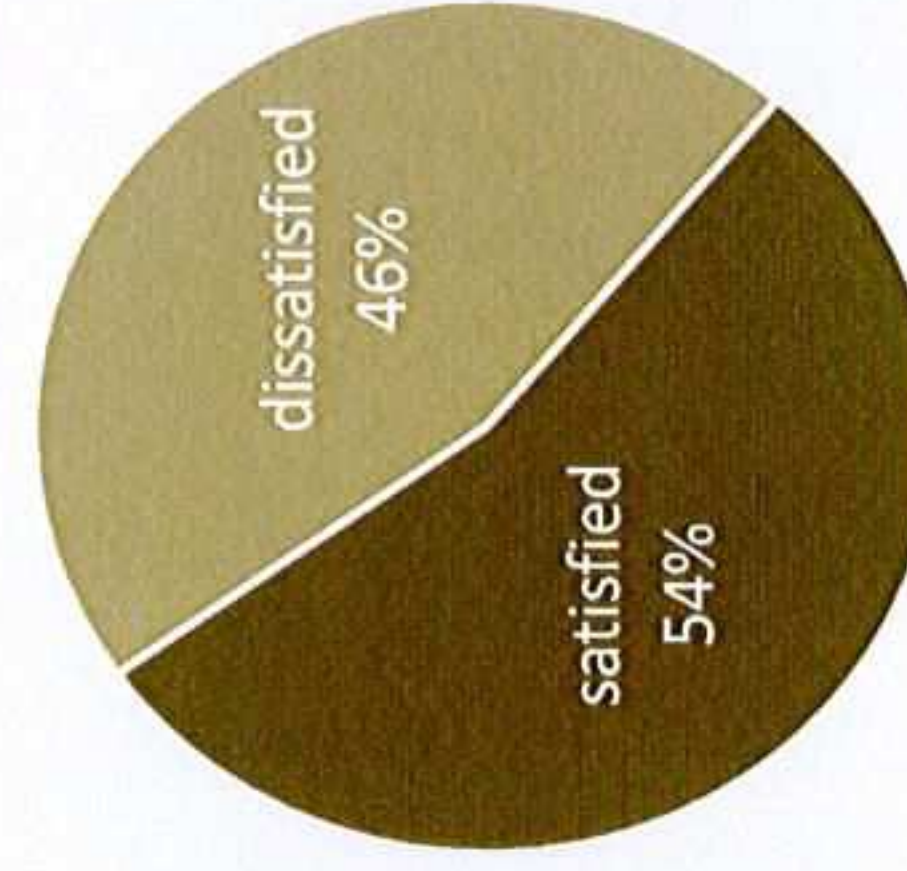

Housing

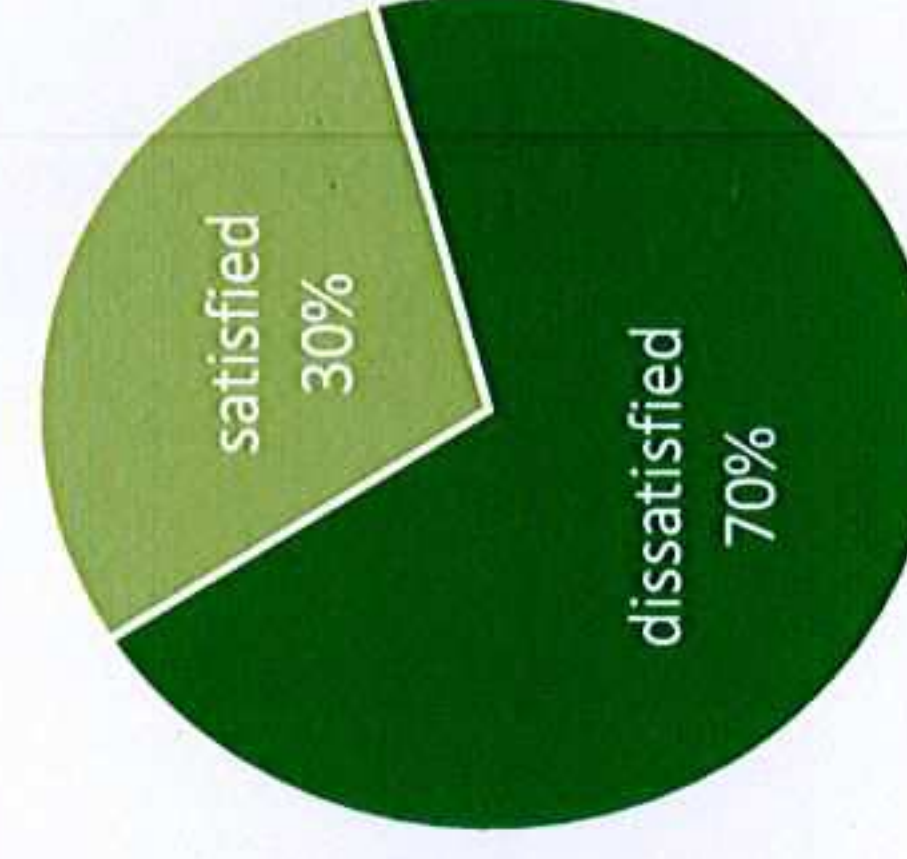

Transport

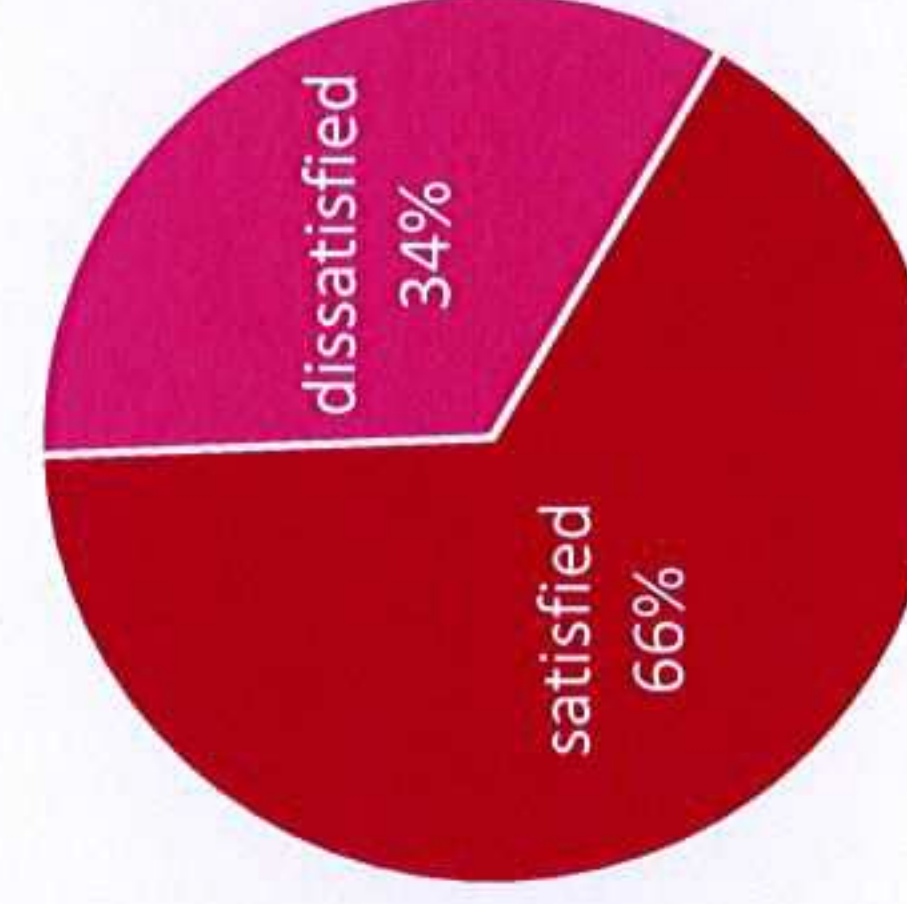

The Waterfront

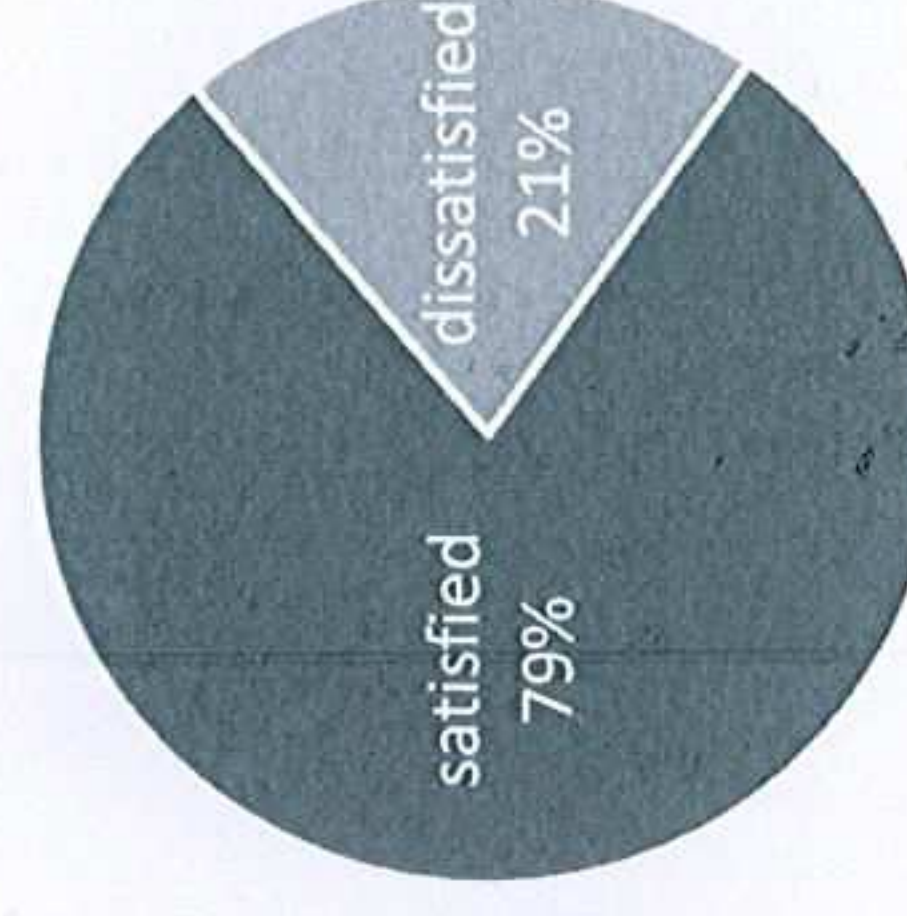

Renewable Energy

Wildlife

Education

Economy
