Dear Steering Committee,

I am writing to you to suggest some of my ideas to improve Torpoint. One of them is to have a disability group for all ages as there is only a group (Oak wood collage) for older people with disabilities. Some children find it harder to learn and have no where to learn with people like themselves. 95% of my year totally agree with this idea. Every right thinking person would know this is a great idea.

Secondly I believe that having a soft play area like Jump would be a really good idea for a Saturday or Sunday as many children are so in front of a TV getting no exercise at all. Therefore, they may not be as healthy as they could be. This would be a great opportunity for them to have enough exercise and have fun at the same time. As well as that, it would be for all ages so that small children like toddlers and babies won't be mixed up with the older and possibly more boisterous people. I know that 97% of the people in my class agree that this is a good idea.

My third and final suggestion is having a swimming pool with swimming lessons as not all people can swim and we are living in a place so close to the water. Also, not all people can drive to different swimming lessons and pools (Liskard, Saltash, Life Centre) so having
