

Press Release: 19th April 2016

Update on the Vision for Torpoint

Latest news..... The Vision for Torpoint has now been submitted to Torpoint Town Council for their consideration. It is anticipated the Vision will be adopted at the Town Council meeting in April 2016 and then be presented at the Annual Parish Meeting – Look out for details to be published on social media and town notice boards nearer to the time. The 180 page vision document is the culmination of over twelve months of surveys and consultations completed by the Neighbourhood Development Plan Steering Group and the Town Council. Once adopted the project team can begin to put together the Neighbourhood Development Plan Policies which will, once approved through a town wide referendum, ensure control of potential future development in the town in-line with the community expectations. The Steering Group are looking to open up to new members who would like to support with drafting the plan policies or would like to get more involved in the delivery of the Vision for Torpoint.
