Dear Torpoint Council,

As a pupil of Carbeile Junior School I am writing to suggest some ideas on the development of our well lead community. My fellow pupils and I feel that our opinions should be valued as they, I feel, will help our community.

Firstly, 70% of our people would love to have leisure facilities, therefore we think that an entertainment venue would be greatly appreciated. Inside this area could be a variety of things such as: restaurants, bowling for a rainy day activity and a cinemora! This may even attract more tourist and Plymouth citizens.

A second idea is to build a cycle track around Torpoint, attracting wildlife and many cyclists! Cycling is a great hobby that brings families together, in addition it would make an amazing day out! 60% of our citizens would love to have open, green space to exercise - surely this is the perfect opportunity?

Despite being a great chance for Torpoint, I understand that this project could cost a lot of money so maybe we can do some fundraising to help. Surely it would be worth it?

I would like to thank you for considering my point of view.

Dear Torpoint Town Council,

I'm a member of Carbeile Junior School and I'm writing to suggest some great ideas on how to improve Torpoint after looking at the development plans.

70% of people from Torpoint would love a leisure pool somewhere in Torpoint that we can use all the time instead of traveling all the way to Lizard and Plymouth.

Cycle routes would be a good idea because children and adults love to cycle there are no places safe to cycle.

Please take my ideas on board.
